

## Dear Principal

Since 1920, the AAA School Safety Patrol program has been influential in reducing the number of deaths and injuries to school-age children all across North America. Every year, over 679,000 students volunteer to assist their peers in getting to and from school safely each day.

We want to recognize the driving force behind this important safety initiative, the School Safety Patrol Advisor. Their commitment to youth, their ability to inspire and encourage children, and their patience, has long contributed to the continued success of the patrol program.

The Ohio Auto Club established the AAA School Safety Patrol Advisor of the Year Award to honor the hard work performed by these dedicated adults. Principals or other school officials, teachers, parents and/or students are invited to nominate a safety patrol advisor who they feel deserves to be named "Advisor of the Year".

**Deadline for nominations is**

**Friday, March 10, 2023**

Be sure to provide requested information.

## Criteria for Nomination

To nominate a patrol advisor, please complete the nomination form found on the reverse page. Don't forget to attach letter(s) of nomination from principals or other school officials, teachers, parents and/or students.

Members of AAA Ohio Auto Club's Public Affairs team will review all nominations to determine the 2022-2023 Advisor of the Year. The "Advisor of the Year" will be recognized in the spring.

### When making nominations and writing nomination letters, please consider the following:
